“ Carol, Marilyn and I offer our sincere condolences. We have known you and Rob since 1974 when you were our sponsor family in Charlottesville during my Army JAG Basic Course. Beautiful in Blue - August 01, 2018 at 12:00 AM

“ Some fond memories of Chris Cherry and family: All us Thompson families, meeting up at PawPaw’s house in the summer, playin hard and cranking that old ice cream maker for that glorious frozen treat. Will always remember how much he liked that ice cream and Mama Velma’s Pecan Pie. Visiting the Nutts in Virginia while Rob was still working in the Pentagon. Had so much fun. Toured the White House and the Pentagon. He was an awesome Host and Tour Guide. He and Carol came to DC and met us when Alex (our youngest) played on the steps of the Lincoln Memorial with her High School Band. No greater example of spousal respect and love have I ever witnessed than his for Carol. What a gentle, loving man. So proud to have had him as an Uncle.

“ It is a sad moment for Linda and me to learn of Rob's passing. May his new life be as enriching as it was for him here. We saw him last on a trip they took to Cocoa Beach. Carol, may the Lord be with you at this difficult time. Love, Linda and Scott Werner

“ I remember well our singing together in an Alexandria restaurant in a pick up barbershop quartet for a close friend of his. We had a lot of fun. It went so well that we attempted to form a new quartet, but Robb's schedule became difficult and we had to cancel that effort. But we continued to be close friends in our barbershop chorus, including car-pooling to a performances. God bless Robb and take him up to God's beautiful garden in heaven. Richard Ries

“ My dad taught me to build a fire, swim in the waves and ride a raft, and build a rabbit cage. He was fun, funny, and loved us all unconditionally. He never missed an opportunity to give a hug or say he loved us. He was a great dad and I love him and miss him.
