

Don Ernest Stott

August 4, 1953 - October 5, 2013

Don Ernest Stott; known as "Ernst" to many friends and family. Beloved husband and friend, Don Ernest Stott left us on October 5, 2013. Ernst was born in Washington, D.C. on August 4, 1953. Ernst attended Woodson High School where he enrolled in Cosmetology School. Ernst continued to pursue a career as a hairstylist. His competitive spirit, immense talent, magnetic personality and outstanding work ethic made him one of Northern Virginia's most renowned and successful hairstylists. Ernst's charisma endeared him to a large number of clients, many of who have remained loyal for decades. He was creative, designing beautiful, precise haircuts and gave the gift of making his clients feel special. All his clients were his extended family and he enriched their lives as they did for him. Ernst was a chemist at heart. He was a creator of color and high- lightening techniques and attended many workshops side-by-side with Nick Arrojo and his amazing team in Soho, New York. For several years, including 2013, he made his annual trip to NY to learn something new that he could bring back to his hairstylists and clients. He was inspired and educated by the best. As a young man, his mentor was Eugene Barlow (Eugene Hairdressers) and they remained close friends until his passing. Ernst opened his own Hair Salon on February 8, 1992; "Ernst and Co. Hair Salon" located in Springfield, Virginia which continues to thrive due to the staff embracing his work ethic. A remarkable staff that has only shown support, love and devotion to the most good-hearted and generous man you would ever know. There was never a day that you did not walk in the Salon that Ernst did not have a joke or a story to tell. He was a story-teller and loved to laugh with everyone.

November 2, 2002, he married Brenda DuVall-Mason and they embarked on an adventure together that should have lasted forever. They met in 1994 and were very devoted to each other. They were yin and yang. He was a Leo and she, a Libra; totally opposites, but soul mates forever.

Ernst loved boating, all kinds of music, reading, traveling to the islands and driving his bright yellow 2002 corvette. He loved having friends and family around. He immensely enjoyed entertaining and everyone was always welcome to his home. Ernst was a proud,

special, and complicated man. He will be remembered for his photogenic memory, being a storyteller, being funny, loving life and having endless generosity. He was an active member of the Washington, DC, Parrot Head Club. He loved going to Jimmy Buffet concerts, as well as Bruce Springsteen, Huey Lewis, and the last concert he was able to go to was Paul McCartney of July 2013.

Ernst's greatest joys were his love of Golden Retrievers; Bozworth, Finnegan and his 1-1/2 year - young Alex. He always wondered why a sea turtle could live for 100 years, but a friend and devoted family member, as our Golden Retrievers would live a much shorter life. For many years he was a loyal Redskin season ticket holder. He loved tailgating with friends and watching the game. Ernst loved to decorate the Salon for Halloween and dress up for the Shopping Center Children's parade. He loved to come up with different costumes each year. Thanksgiving and Christmas was special to him. He loved the fellowship of friends and family. Ernst for many years would go see the Rockettes in New York and go shopping at Christmas time. Every year, the Salon has an Open House at Christmas time for all the Staff and Clients. He will be truly missed this year.

He is survived by his wife, Brenda Stott of Alexandria, Virginia, his father, Don Samuel Stott, Montrose, Colorado, his mother, Pansy Yeatts, Stephens City, Virginia, half-sister Stephany Bayne, his half-sister, Melissa Thompson, St. Remy, New York, and half-brother, David Stott of Verona, Wisconsin, his niece, Michelle Eads and two children, Tyler and Evan Coble of Stephens City, Virginia.

“ *A great soul serves everyone all the time. A great soul never dies. It brings us together again and again. ~Maya Angelou Ernst so much more than our family's beautiful hairstylist for over 17 years. Uncle to our children, storyteller extraordinaire, counselor, shoulder to lean on, and "fixer" of all the crazy hair colors that our teenagers just had to have. You touched our lives profoundly in so many ways, we will miss you, and we will never forget you or your kind, great soul. Our prayers are with your family, friends and especially you Brenda. Ernst was one of a kind!

“ Ernst was a wonderful caring man who never failed to make me smile. I have so many fond memories of him from many years of knowing him. It's truly a sad day in our industry as we have lost an icon who loved the industry of hair and the love of people. His jokes were endless... so many that I laugh, smile and cry as I type this. He was so proud of his staff and his business but most importantly he love his Brenda and his puppies so. Brenda, family and the Staff at Ernst and Co. my deepest most sincere sympathies on the loss of of Ernst. May God grant you peace in your heart and fill you with many happy memories over these next few days. Much love

and prayers to you .

“ Ernst..... a comic, hairdresser, animal lover, joke teller, husband, friend and one of the most unique individuals I had ever known. I had the pleasure of meeting Ernst in 1996 as his Sales Rep.... we hit it off right away and he was so excited to introduce me to Brenda and I thought Wow!!!! Ernst you did good :) He always had a joke for me, and always knew how to make me smile, and shake my head at the same time. Ernst came to my wedding in 1999 and having he and Brenda there on my special day meant so very much to me. I remember when I first introduced Ernst and his team to Wella years ago and Ernst took a trip to Philly with my colleagues, hairdressers and other salon owners in the metro DC area and they all were blessed with his gift of gab and heard more jokes than some may hear in a lifetime. Such a fun spirit full of life and I am so sorry that not only has our hairdressing industry lost such an amazing hairdresser and successful business owner, but the most kind spirited, loving, passionate man ever. You truly will be missed and I thank you for so many years of friendship and we can truly celebrate you my friend. My love to his friends and family. Jenn Stanley

“ What a wonderful friend I/we have lost. His jokes and stories made me laugh till I cried. His memory of the finest details in a story were as particular and well told as his talent and detail for hair designs. Whenever he asked me what I wanted done with my hair and I told him -he always replied with yes dear and would laugh - what a contagious laugh he had. I am so sorry for the loss of this kind, generous man who loved life and esp. his wife and pups. He cared for people and that was evident by how he talked to his clients as they entered the salon. Ernst - you will be so missed. I pray for Brenda and puppy, Alex and the rest of your family and friends. Peace to all.

“ Ernst has been the most loving and caring neighbor I have ever known-----I will miss him very much. Ernst was also a very special person which I do not have enough eloquent words to describe him. I am so blessed and fortunate for having Ernst be a part of my life and hope I can give to others one tenth of what he gave---kindness, charity, joy, a zest for life and so much more!!!
Brenda, you have been a very special neighbor. May loving memories bring you solace and laughter----loved his jokes. I am right next door if you need anything!

“ Something wonderful happened to me 26 years ago. I met Ernst in the laundry room of Landmark Towers. I always repeated his jokes driving home in my head. After a while I'd say to my husband...I saw in the paper this little girl named Sally asked...insert joke here...my husband would roar and say please I know you saw Ernst today. Going to the Salon was more like happy hour. I am heartbroken. The

world drastically changed Saturday October 5th. My heart goes out to you Brenda and Sir Alex, as well as the rest of the family I am honored to call Ernst my dear friend. I will love and miss him forever. XOXOXO Lisa (Brenda, much love being sent from Herb and Dolly tooâ¤)

“ Ernst was a friend for over 22 years. I joked that I've known him longer than my husband. There are almost no words to describe what a remarkable person he was. He always had a joke, or a funny story, and a way of turning a down day into a delight. He loved his wonderful wife Brenda, his beautiful golden retrievers, Jimmy Buffet, and life itself. With him gone, things are a little less bright and there's a huge hole in my heart. He was one of a kind, and I'll never forget him.
