

Evelyn B. Michaud

December 29, 1952 - January 26, 2020

On January 26, Evelyn Michaud passed away after her battle with cancer. Evelyn was a beloved wife, mother, and grandmother. Evelyn was an extremely strong woman who fought hard but was taken from her family too soon. She leaves behind her loving husband of 44 years, Bradley, her daughters, Sarah and Jamie, and her four grandchildren, Nathan, Waylon, Sophie, and Emmett.

Evelyn was born December 29, 1952, in Oklahoma City, Oklahoma, the daughter of the late John Clark and Georgina Ritchie. After high school, Evelyn joined the Air Force and moved around the country and world. While in the Air Force, Evelyn met and fell in love with Bradley Michaud and soon married. Bradley was the love of Evelyn's life and her everything.

After they were married, Evelyn and Brad had their first daughter, Sarah. Three years later, Evelyn gave birth to their second daughter, Jamie. Evelyn was an incredible mother who loved her children endlessly and was always involved in all aspects of their lives. Her family was her world and her favorite time was always spent with her husband and children. Her love has always been strong and admirable.

Evelyn is the grandmother of four beautiful grandchildren, who call her Momo. If her love was strong for her daughters, it was nothing in comparison to the love she had for her grandchildren. She adored her grandchildren more than anything and was always proud of them. Every moment she had, she spent bragging about them and their accomplishments. Evelyn was also a Den Leader for her grandson Nathan's Cub Scout Pack 1683. She loved her pack as if every member was her own. She looked forward to the time she spent with her pack and they meant the world to her. Her pack gave her strength and motivation to push through some of the hardest times in her fight with cancer.

In June of 2019, Evelyn was diagnosed with angiosarcoma, as a result of radiation given 8 years prior during her fight with Breast Cancer. The cancer attacked Evelyn quickly and aggressively. Within six months, Evelyn was taken to heaven.

Within the six months she fought the cancer, Evelyn remained optimistic and positive and an inspiration to others, as many would never even have guessed her to be sick. She was strong to the very end. She had an incredibly strong bond with her family and friends. She was an avid reader, Sudoku player, and Starbucks drinker. She never missed a chance to

pet a passing dog. She listened without judgement. She left a lasting impression on everyone she met and touched the hearts of so many.

Viewing is scheduled at Jefferson Funeral Chapel on Tuesday, February 4th from 12-1 p.m. Funeral services are scheduled immediately following at 1:00 p.m. at Jefferson Funeral Chapel. Following the funeral service, Evelyn's burial is scheduled at 2:30 p.m. at Mount Comfort Cemetery.
