“ Peggy was my best friend in high school. We kept in touch in college and talked about moving to Boston once we graduated from college. Then Peggy met Greg and she knew her life would never be the same. Even though she left too soon I know she had a wonderful life with Greg and their children. She will be missed by so many people. I know I will miss her very much.

“ Dear Greg and family...I was so very saddened to get the news about Peggy. Mary Beyer emailed some of Peggy's Nazareth friends about her passing. I was happy to have been her friend back in high school, and have a lot of fun memories of spending time with her. I know how much you all must miss her, and know in your hearts that she is in a better place now. Alzheimer's is a dreadful disease, not only for the person who has it, but for their family. I went thru it for 10 years with my dear Mother, who was diagnosed at 55 years old with early onset, and passed away at 65. My prayers and deepest sympathy go out to you and your dear family. Hoping to make Peggy's memorial in October. With deepest sympathy, Mary Bauza

“ Greg and family: I am an old friend of Peggy's from both grammar school and high school. I got a call from another friend just last week, asking me if I was still in touch with her, so I just looked your family up online, hoping to make contact with her again. I am so shocked and sad to see that she passed away - I cannot begin to tell you - I am SO very sorry! My name is Mary Paul (Beyer), and if you feel it appropriate, Greg, I would love to hear from you - my email is mbeyer1@rochester.rr.com. If you do not, I totally understand, and I send many, many prayers, blessings and love to you and your family.
