“ Peggy was one of my favorite coworkers at Defense Logistics Agency. Quick with a smile, caring, and always willing to help or contribute. She was quite simply a terrific person.

“ I can still picture Peggy in classic Talbot attire, putting on her sneakers and heading down to the treadmill in the gym at Fort Belvoir. She brightened my day, every day for the years we worked together. I loved her and her feisty spirit.

“ So glad I was given a chance to get to know peggy. I did her hair for a short time and enjoyed our time together. She will be missed by everyone at the shop.
