

Nancy Marie Tobias

June 6, 1963 - May 19, 2021

Nancy Marie Tobias, of Reston Virginia, passed away on Wednesday, May 19, 2021 at the age of 57. She is preceded in death by her brother Jay. She is survived by her husband, Glenn Wayne Tobias, children; Renee, Andrea, Christopher, Michelle, Benjamin, Michael, Robert, Daniel, Abigail, Ian and grandchildren; Samson, Dorothy, Benjamin, Myles, Easton, and Jeremiah, and soon-to-be baby girl, and siblings; Gary, Christopher, Timothy, Bobby, and Joe.

Nancy, born and raised in the Mclean, Virginia area, grew up loving horseback riding, skiing softball and basketball. She loved sports and loved watching her children play football and rugby. She was unwaveringly patriotic. She loved good food and fellowship; architecture and fine craftsmanship, and everything that thrilled all five senses. Nancy knew how to enjoy and appreciate the big and small things, and could find the sweetness in every moment. For all those who knew her, their description is the same – warm, welcoming, gentle, friendly, selfless, humorous, compassionate, accepting, safe, and loving. Making people feel loved was her mission and she loved to love. Maya Angelo once said “At the end of the day, people will not remember what you said or what you did, but they will remember how you made them feel.” Nancy moved through the world with a radiant and compassionate spirit. She was always living in the moment, wholly present with whoever was with her, making them feel loved, accepted, welcomed and safe. Nancy loved people, but above all these things she was in love with her Savior, Jesus Christ. A dedicated believer and disciple, she breathed truth and the light of the gospel into the world and to those around her. She was unabashed in her faith and trust in the Lord and dedicated her life to loving Jesus and others. Nancy was a loving and honoring wife, an adoring mother, a beloved grandmother, a cherished sister, and a wonderful sister-in-law, aunt, neighbor, and friend. We will never stop missing Nancy and her beautiful and radiant presence. She was cherished by all.

“ Dear Glenn, Ian and family,
I was lucky enough to have a wonderful hour-long conversation with Nancy a couple of months ago. She was the kind of person who makes you feel like you just talked yesterday and you are one of her good friends even if you hadn't spoken in years. She made William feel like a part of the Tobias family from the time they became friends in 1st grade. A more loving and devoted mother, wife, and friend would be hard to find. Our family feels so fortunate to have known her, and we are terribly saddened by her passing. We love you all. Stay strong and please reach out to us for any reason. We will always be here for you.

“ Dear Glenn and the Tobias family,
It feels like only yesterday that I saw Nancy but was, in fact, many years. Approachable and without pretension, I will always remember her hugs and conversations about the Lord, Glenn, and the family she loved so dearly. Her laughter was infectious. She radiated such a gentle but passionate love for her family and for the Lord. My heart aches for you and for your loss of her here on earth. Praying that God comforts you with His presence and peace and a lifetime of memories as you journey through this heartache together and await the reunion to come. Nancy was and always will be one of the most beautiful people I have ever known...Love, for the Magnottis, Terry.

“ I spent many, many hours in the last 6 years sitting next to Nancy while working at the crazy check out station at Caring Transitions estate sales. It is a crazy, hectic, stressful job. Nancy was ALWAYS calm, kind and extremely patient, despite the craziness surrounding us. She was delighted to see everyone and was known for her ability to cope with difficult customers. I will miss her terribly, as will our entire team. I can't believe she is gone; she will leave a hole that can not be filled, a job that no one can do as well. My heart goes out to her family, it was no secret to ANYONE she chatted with for more than 30 seconds that her family was her most precious thing! I will miss you Nancy, Melanie

“ I knew Nancy for just a few short 9 years but in that time I met a beautiful lady who was beautiful inside and out. Her love for her husband and children was beyond amazing; her love for her Lord Jesus Christ was number one in her life.

It's hard to believe that Nancy is no longer with us here on earth, but I do know that we will see each other one day in Heaven. May God provide everlasting peace and comfort to Glenn and to Nancy's children, grandchildren and extended family.

Until we meet again Nancy...
