“ I've known Butch for more than half my life and will miss him tremendously. A giant piece of all of us who knew him is absent now that he is gone. I will particularly miss our "six-pack Tuesdays", the UVA Saturday Football outings, and going to the Annapolis Boat Shows almost every year. Also not to forget our many boating adventures together over the years. The Fall Season will never be the same without Butch's smiling face. God Bless You Butch, we all love you.

“ We were best friends from the day in September 1964 when he stole my chair in the Jefferson cafeteria. I still can't believe he's gone. My condolences to his Mom, Brother, and Lydia.

“ I was saddened to hear about the passing of Butch and his battle with diabetes. It's an honor to have known him and for the outrageously fun memories he made for us all. We often discussed UVA, ACC sports and his experiences as a Wahoo. You are remembered very favorably, RIP my friend. Frank S Kolencik

“ May God continue to comfort all who loved Mr. Beasley. We can all look forward to the time when death will be no more and instead of tears of sorrow there will be tears of joy. I am sure he will be missed by many. Please accept my heartfelt sympathy.

“ I remember his smile! I remember Butch running onto the TJ football field all geared up. I remember seeing him walking the halls of TJ with always a kind word to say. Memories are what will help Butch's mom, Steve, and Lydia get through this loss.
