“ Dear Mommy ,

You were my best friend, my cheerleader, my protector. You taught me so much and made me the woman I am today. I hope to continue to make you proud and now that you are heaven you wont miss a moment good or bad. Im sure you will find a way to tell me and direct me down the right path. I will miss our talks laughter and Friday Night Dance Parties. You fought until your last breath and even though you werent ready to leave ,no worries we will be together again. I love you more than my heart has space to hold.
