“ You were my last grandparent. Losing you was difficult. You lived a long life, independent and with the people you loved. You will forever be missed. You were a strong woman... with beauty and grace. Give Aunt Suzie and all the others we have lost a kiss and a hug from me I love you grandma, Rest In Peace.

“ Susuko's family: I'm so sorry for your loss. I went through a similar situation and I was very helped by the hope that I found in the Bible in John 5: 28, which says, "Do not amaze at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out". I am sending you a link with more information on this hope. <https://www.jw.org/en/publications/magazines/awake-no3-2018-nov-dec/>

“ RIP my friend. I really will miss you. Already missing you. I was going to Church Sunday and I was so confused. Because you were not in the car I kept saying I am missing something. Then I realized I did not have you in the car. I love you, thanks for being with me.
