“ *Dear Baby Girl, I will always remember you. You were so sweet and loving to me. You would always kiss me and give me a big hug. I will never forget the day I baptize you in Jesus Name! You were so excited you were shining... you had so much Joy! It truly was a privilege knowing you since you were born. Seeing you growing up in the church. You were a little helper.... always helping Sister Garcia. I always remember arriving to your house to pick up your mom and family. You would the first one running to the van and starting a conversation. You were funny made me laugh. I always loved how you would call me... you would say my name twice.. so sweet its like I could hear you now saying... Sister Minerva, Sister Minerva... then the questions would start.... lol. When I would come to visit to Va. You would always ask me when I was moving back... You would say to me I miss you. Sweet Baby girl how I miss you.. and especially your beautiful smile. Thank you, for the sweet memories...That I will always cherish. I love you forever and ever ❤️

“ *The most beautiful soul I have ever met, You're smile was so infectious and so bright. You were one of a kind, thats what I admired most about you. People could talk bad about you and you would just let it roll off your shoulders and continue to smile. We miss you so much Adriana. Love you gorgeous! Xoxo -toni.*

“ *I remember the last time I saw you we spent the weekend together when we went to visit Cierra in VA Beach. We both were mad at her because she was a no show so we decided to walk the boardwalk and clown around. We had a blast! I will miss your pop up phone calls to check in on me. You were so caring and such a fun person to be around and I will miss you so much. RIP beautiful!*
