

Alan M. Bastani

September 16, 1932 - December 31, 2017

Dr. Alan Matthew Bastani passed away on Sunday December 31st, 2017. Dr. Bastani was a practicing oncologist and hematologist in the Northern Virginia area since 1968 after his internship at Fordham University and residence at Mount Sinai Hospital in Chicago, Illinois. He had offices in Alexandria, Fairfax and Woodbridge. After retiring from his private practice he was a visiting physician throughout the country in federal prison hospitals and the Veterans Administration for several years.

Dr. Bastani was an avid runner who completed the Marine Corps Marathon three times. Dr. Bastani was also a dedicated student of the Bible and studied several ancient languages to further his understanding of the Old and New Testament.

Dr. Bastani was preceded by his parents and his two brothers. He is survived by his son, Alex. Dr. Bastani was 85 at the time of his passing. There will be a Memorial service on Saturday February 17, 2018, at 1 pm at the Jefferson Funeral Chapel, 5755 Castlewellan Drive, Alexandria, VA. 22315. In lieu of flowers, Dr. Bastani's family requests well wishers make donations to the Alzheimer's Association.

“ *Being an avid student of the Bible, Dr. Bastani would understand that at 84 years old, his life was cut short. He would know of God’s promise—not of 90 or even 100 years-- but of EVERLASTING life. (John 3:16) He knew that death was never God’s purpose. The earth was to become a paradise filled with caring people. But Adam & Eve disobeyed God and thus, “death spread to all men” (Rom. 5:12). Soon sickness and death will disappear—permanently! We know this will happen because God gave Jesus the authority to heal the sick and power to raise the dead (Luke 5:12, 13; John 11:39-44). Jesus’ kingdom government will bring to mankind this and so much more, yes “more than all we ask or imagine.” (Ephesians 3:20). Further encouragement can be found at jw.org. Please accept my sincere condolences for your loss.*
