“ *My Josh, I love you more than life itself! I feel like you will call me tomorrow or stop by work and mess my hair up. I feel numb. I don't know what to do without you, without your hugs, without your smile, your laugh, your big heart and most of all your love. I miss you more than there are stars in the skies, there are no words in losing my only son! I know what GOD felt like when he gave his only SON to us! I know I did not lose you in VAIN, I have a mission --don't know what it is but it will come. 27 years old was too young but Jesus had other plans for you. I love you so much Josh and I still cannot believe this has happened. I know that you will always be with me in spirit and you are that angel on my shoulder forever! My precious son there are no words to tell you how loved you are and how you will be missed, always know that I truly love you more than life itself! Love you, Mom*
