

Albert David Alter

November 18, 1922 - March 17, 2022

Albert D. Alter passed away peacefully on March 17, 2022, in Springfield, VA. He was 99 years old. Al was born in Manchester, NH, where he grew up. At age 17, he entered the U.S. Army, which sent him to the Army Special Training Program at Princeton University and then to World War II in Europe as an artillery forward observer through the end of the war. In 2016, he was honored by the Government of France for his service in six major battles of the war. He graduated with a B.S. from Boston University in 1946. That same year, he married Frieda L. Caras (their first date had been ice skating outdoors on a pond), with whom he had one son. Al went on to have a successful career in the clothing manufacturing business, rising to the position of President of Pandora Knitwear in Manchester, NH. In retirement in Florida, his wife and he enjoyed golfing very much. After Frieda's passing, Al moved to Virginia to be closer to his son and daughter-in-law and two of his grandsons. An avid reader (on his iPad) to the end, he enjoyed keeping up to date with current events, writing essays, and also FaceTiming with his family. He is survived by his son and daughter-in-law, Bruce and Marsha Alter; and by his grandchildren Evan Alter, Ciara and Perry Alter, and Brandon Alter; and his great-grandson Ezra Alter. His biggest smiles in his last few weeks were when he looked at photos of Ezra. Services will be held graveside at Manchester Hebrew Cemetery in New Hampshire at 11:00 a.m., Thursday, March 24, 2022. Donations in Albert Alter's memory may be made to the Boys and Girls Club of Manchester, 555 Union St, Manchester, NH 03104, or on line at <http>

“ *You dad was wonderful. We have fond memories of him celebrating Thanksgiving with us in 2018. He proudly shared his decoration from the French government for his service in World War II. It was joy to listen to him and to be in his company. He will be missed. Our deepest sympathy.*

John & Carol Bartus - March 20, 2022 at 11:08 PM

“ *Bruce,*

Your dad was the kindest, most warm-hearted man I can recall from our youth. How sad to now lose him, but how blessed you have been to have had him in your life, and the lives of Marsha and your boys, for all of these years.

These will be sad days, but also a time of reflection for the joy this wonderful man has brought you and all others whom your father's life has touched.

Best wishes,

Steve and Allegra
