“ *I am so sorry to hear of Al's passing. He was such a sweet man. I did not know him without his smile and generous spirit.. Al was a participant in our exercise program at Mount Vernon Hospital, for many years, often accompanied by his wife and always a pleasure to see. My condolences to all of his family.*

“ *I'm proud to have known Al for many years. Although I was not a founding member, I've been in the Mount Vernon Concert Band so many years I feel like one! He was knowledgeable, caring for each individual, patient, and always strived for perfection in music. I was made better by being in his band. His smile and good humor were infectious. He was just a nice guy! My condolences to his family and best wishes as you celebrate his life.*

“ I am so grateful for the years Al gave to the Mount Vernon Community Band, which made it possible for the band to rehearse and to play at a delightful variety of events. Louise and I spent an enjoyable afternoon in his back yard some years back. We send our condolences to his family.

“ Al was a great friend and co-founder with Henry Norton and me of the Mount Vernon Community Band in 1978. We enjoyed many fine years of music together. Al also supported Harriet's Memorial Nursing Scholarship and attended the annual luncheons at the Mount Vernon Inn. My late wife, Harriet, worked with Bea Hall at the Goveton Elementary School where Harriet was the secretary for 13 years.

“ Joan and I send our sympathy and warmest feelings to Al and Bea's girls and their families. For 12 years he was the best neighbor a young couple starting a family could have. He helped me build a great tree house and swing set for my girls, since he was so talented at making things, and I was pleased to join him in starting the Mt. Vernon Community Band. We enjoyed getting to know them and getting their good advice. Al was a wonderful person and contributed mightedly to a better world.
