“ Mom, I can't think of all the words I need to know to tell you how much Gail, Luke, Austin & I will miss you. So We'll start with: I'll miss you till the end of time. We'll think about each and every day. We know you'll always be watching over us as you always did. You were the most loveing, sharing, forgiving, wonderful, mother a son could ever have. We will love you for ever. Matt, Gail, Luke & Austin DeOrio

“ Dear Becky and Mark and family, Just wanted to send my condolences to you all on the loss of your Mom. I saw the obit in the paper. Seeing her face brought back some great memories. The information that was provided sounded like she had a very full life. Disney World sounded like that would have been perfect for her. She was always such a nice lady and we always ate so well at her house!! I have forwarded the info on to Mike in Arkansas. Again, sorry for your loss, thank you for the memories. Sincerely, Karen (Maynard) Hodge

“ Dear Mark and Family: We are so sorry to hear about the death of your mother. I can remember many great times at your Rhodes Ave. house and your mom was always so loving and welcoming. Where did those years go? It sounds like your mom lived a full and good life. We hope family and friends will help you during this difficult time. We wish our heartfelt sympathy to you, your siblings and your families. Fondly, Tom and Mary Begley
