“ Grandpa, You were truly one of a kind. I cherish all the memories I have of our times together when I was a kid. Although there were miles between us, you were always in my heart and will be forever. I'm so glad you got to meet little Johnny. I have a picture of you holding him with this big grin on your face that I proudly display in our living room. I loved that rarely seen smile of yours. I wish we could have seen you one last time, but I know you're in the only place that you would ever want to be- In heaven with grandma. I know the two of you will have your happily ever after in eternity. Give her a kiss for me. You will forever be missed. I love you always. Love, Valerie
