“ *Dear Kremer family, This morning Jo Anne and I were talking about or apartment at #6 Rathaus Strasse, Viernheim, Germany. She wondered "what happened to Webb Kremer?". I set about to find out and here we are. Webb was responsible for letting us have your apartment and our first home. Although we didn't know Webb very well, he was someone we have always remembered. I valued his help and friendship very much. Needless to say, we were saddened at your loss and will remember him and you in our prayers. Fondly, Tom and JoAnne Cassin*

“ Webb was a wonderful classmate, a fellow Armor Officer, and a very special friend. He was an extraordinary officer who understood “mission accomplishment and caring for the soldier”. During the two years we served together, he built an exceptionally talented and professional staff that planned and supervised the schooling, training, and training management of the Army in Europe. His personal knowledge of what was needed along with his uncompromising will to do it right the first time, insured that all challenges were met while the officers, NCOs, soldiers, and their families received the finest support possible. Every day that we served together was a day of friendship and encouragement. And always there was Webb’s wonderful sense of humor and wise and loyal counsel. I will miss you, Webb. Sharon and I send our deepest sympathy to Judy and the family. Our prayers are with you. Phil and Sharon Mallory Class of 1961

“ Judy, We have pleasant memories of the times we had together with you and Webb at SHAPE, Belgium. There were the worship services in the SHAPE Chapel and of course the never ending adoption procedures. It continues to be meaningful to us to maintain our relationship through Christmas letters. We pray that God will give you peace and comfort now and in the future as you mourn Webb's journey to be with the Lord. Our thoughts are also with Todd and Brooke in this time of sorrow but also a time to celebrate the life of Webb. George & Judy Reswik

“ Dear Judy, Brooke and Todd, Just learned of Webb's crossing over today so, while saddened, I had a little trip down memory lane looking at the Guestbook. Webb was always a dear buddy and support -- at W-L, trips to West Point and vacations in Arlington. I have such fond memories of all those times. Judy, do you remember the rides up to West Point in my Volkswagen and the flat tire the cadets changed -- was it in their whites??? Anyway, Webb will always live in those thoughts and I look forward to being in touch after the funeral. Really sorry I cannot make it back. My thoughts and meditations have been, are and will be with you! Peace, love and JOY, Ann Mohrbacher Johnson

“ With deep sadness we heard of Webb’s passing. He was our Battalion and Brigade Commander at Ft Knox in the early 80s. A great leader, mentor, and soldier. Always concerned that his subordinates were aware that “Family” was as important as our military vocation. A giant among his peers. Thanks Webb for being our friend Judy, Brooke, and Todd. We share your loss and we will keep you in our prayers. Bobbi and Daniel Mason Albuquerque, NM
