“ *You will be part of my birthday every year for the rest of my life. I am so happy you were with me in Myrtle Beach with Julia for my 28th. I am so blessed I had the opportunity to meet you. Every year I get older and more wrinkly, I will really be celebrating you. You will forever be with the Cahills.*

“ *Graven's, you truly raised a wonderful person. Andrea always had a smile on her face and was always nice to everyone. She was everyone's friend. I remember her in 8th grade during Footloose. That's the main personal memory I have of her because unfortunately we weren't close. However, no matter how close anyone was with her, she was one of a kind and will truly be missed. Her laugh and smile will always be remembered by those who knew her. She is definitely in my thoughts and you, her family, are in my prayers. Everyone remember, she is watching over us each and every day. Let's live our life for her. She deserves it.*

“ *Andrea may have a shorter life but she had the most wonderful moment with her friends and family. Some people may have a longer life but they never have those days. She will always be with you no matter where you will be. She just keeps on smiling as usual. Just remember those good old days! Kim*

“ It is difficult to put into words the effect you had on the people around you: family, friends & “ everyone. You were truly special; your presence brought with it a welcoming comfort and would often lend a caring shoulder to lean on and hand to hold. Your big laugh was only outmatched by your enormous heart. You were always the first to give and the last to take; I remember your birthday parties and how, instead of asking for your own gifts, you asked everyone to make donations to Toys for Tots. It was impossible to stay frustrated with you. Once you, Khara and Hailey started your laughing fits in Leadership, there was nothing anyone could do to stop it. It was helpless and almost frustrating trying to settle you down, but never failed to bring a smile across my face. When I was feeling angry or dejected over something, you would always make me see how ridiculous it was to live any moment in anything but happiness. One of my fondest memories of you is the night before I left for college for the first time; I came over to your beautiful home and we recounted all of the wonderful times we had shared, defining a large part of the experiences we would be taking with us into the world. Finally, it was time to leave and as I got up to go, I looked at you and saw your eyes tearing up, but still undoubtedly smiling. You laughed and said, “I can’t believe you are making me cry!”; I came over and we gave each other a huge hug; I knew I had found one of the most sincere, genuine friends that I will ever have the privilege of getting to know so well. So many people spend their entire lives searching for the purpose of life; if there is one thing I am sure of, it is that you found that purpose and lived by it “ to spread joy and happiness to every person around you, finding value in each of them, and to love wholeheartedly. I love you, Andrea Graven. We all do. May God give you wings and welcome you into His Kingdom. And may He paint your smile across the sky to remind us all each day of your life and to let us know that you will always be with us. Until we meet again, Angel.

“ I will never forgot my first year at South County. Before school even started I had the opportunity to meet Andrea. She was the spunky, energetic one out of the group of volleyball players and I will never forgot sitting on the bench with her. At times the unhappy sportsman I was, always looked at Andrea as someone to admire. She kept laughing and smiling through the games when we did not even have the chance to play in the whole time. She wore the most outrageous colorful lime green spandex, bun on the side of her head and goofed around and even had burping contests. You have to love the girl. Every time I bumped into her she acted as if I was the only person that mattered at the time. She always looked me dead in the eyes. I will never forget the last time I saw Andrea. It was after prom and I hadn't spoken to her in a while. I walked in through a basement door and we were so excited to have bumped into each other. She always made me feel so happy. I wish I could have hungout with her more or talked to her more but the chances I had with her will never be forgotten. She brought smiles to many faces and warmed many hearts with her laughter. She is an angel. She touched so many, in the past 20 years. Even if it was a glance or smile in the hallways at school she touched people. She cannot be forgotten, a truly beautiful girl, looking down upon us. Everyone loves you Andrea. People think of you everyday and I will make sure to smile because I know you are. Now the rest of the world needs to learn to smile as much as you did. Smile.

“ You're my spartan. Everybody who has ever met, heard about, or seen you knows what kind of person you are -- I look back at all the amazing times we've had, and realize you were more like an angel than anything else. A funny, wild, warm, loving, and caring angel. And I know you're going to laugh and call me a dork, but I'm getting a nicey tattoo in your memory so you can be by my side wherever I go, whatever I do, until the day comes that I get to see you again. I love you so much andrea, your laugh is on replay in my mind so it keeps me smiling. From the movie Gladiator, "I will see you again..but not yet, not yet.."

“ Dear Mr. and Mrs. Graven, I am so so SO thankful for every soccer game I got to play with Andrea. She had so much energy and joy and we are all the better for knowing her. She was an excellent team player and an even better friend, and she gave her all every single time we were out on the field. Thank you for sharing her with our team. The Speed family has nothing but the greatest memories of Andrea's beautiful smile and contagious laughter. Please know that you have an entire team to support you. My parents and I will be praying that your family can find peace during these dark times. And even though she is no longer here, every time I picture her up among the Angels, I can't help but smile.

“ Dear Johannes and Sang: I know there is nothing I can say to allay the pain you feel at this time. However, this morning I was praying the Divine Mercies Chaplet and I read these words. “Most Merciful Jesus, receive into the abode of Your Most Compassionate Heart all meek and humble souls and the souls of little children. These souls send all heaven into ecstasy and they are the heavenly Father's favorites. They are a sweet-smelling bouquet before the throne of God; God Himself takes delight in their fragrance.” I immediately thought of your darling Andrea...“a sweet smelling bouquet before the throne of God...” Bud Tyler

“ To the Graven Family- My daughter, Dawn, has been friends with Christina for many years. As you know, Christina was her maid of honor. Now Dawn has the privilege of working with Julia. Your daughters have touched my daughter’s life, and I can’t begin to tell you how sorry we are for your loss. Your grief is unimaginable. When I can’t find the words to express my feelings, I often led to write a poem. I wrote this for you to try to bring some comfort to your broken hearts. Sincerely, Lolly Sample
He Needed An Angel
No words can express the sorrow we feel,
For the loss of your daughter, so untimely and real.
How one so vibrant, so young and alive,
Could be taken away and leave us deprived
Of her beautiful smile and her shining brown eyes,
Her kind, loving spirit; only God knows why.
A wonderful sister and a friend like no other,
A tribute to you, her father and mother.
In twenty short years, the lives that she touched
Are forever changed. And so we have much
To be thankful for. As the tears freely flow,
Her memory is with us, wherever we go.
Your grief is unfathomable, we don’t understand.
God needed an angel, as part of His plan.
Your sweet angel, Andrea, is in Heaven above,
Resting with Our Father, surrounded by His love.

“ I only had the pleasure of meeting Andrea a few times, but I can say that she was one of the brightest and sweetest girls I have ever met. It is rare that you find someone who accepts everyone they meet for the person that they truly are. And that was Andrea. There are no words to say that can ease the pain of losing such a special person. But I know in my heart that she is watching over us all, and is without a doubt, the most beautiful angel in Heaven. Andrea’s family and friends and constantly in my thoughts and prayers.

“ To the Graven Family, I want to express my deepest sympathies to you all. Andrea was so full of life and happiness. I remember when I used to sleep over for Juila's parties and enjoying watching Andrea dance with her friends in cute ballernia outfits. She was quite the dancer! I also remember when she first started to play soccer. Watching her run around in her little soccer outfit brought a smile to my face. It is true that soccer runs in your family! She was not only Julia and Christina's baby sister, but one to all of us and I am truly blessed and fortunate to have known such an amazing geniune kind-hearted person. My thoughts and prayers go out to you during this difficult time. Love, Megan

“ To Andrea Graven and Family: Words escape me at this moment in time. As Andrea's classmate, teammate, and beach week buddy, (she was the only one I trusted to drive the car) I am deeply saddened and shocked by this loss. I will miss her laugh, smile, and light-hearted way of living life. She has taught me so much just by remembering her positive outlook. Heaven is lucky to have her, and I feel lucky that she is watching over us. Love always, "MadBrad"

“ Graven Family, My prayers are with you, my heart is with you, my memories of an amazing young woman are with you. I was so blessed to have Andrea as a Leadership student and officer. She brought such depth to our conversations, laughter to our events, compassion to our approach as leaders and inspiration as a role model. May God be with you at every moment.

“ I met Andrea way back in middle school. I admit I had a big crush on her when I first saw her in my homeroom class. I deeply regret the loss of Andrea. She was talented, sweet, bright and always full of energy. My prayers go out to Andrea Graven and the family. Her and I were not really close friends but knowing that we used to go over class notes in Chemistry and Algebra 2 and that we went to the same school is more than enough for me to be disheartened and bring tears to my eyes. Despite this tragic event, the bible gives us hope at John 5:28,29 that "those in the memorial tombs will hear his voice and come, those who did good things to a resurrection of life." Its good to know that Andrea is just sleeping in death and is awaiting resurrection from our loving God, Jehovah. The pain and hardships that Andrea's family and friends are going through will be tough. However, all the suffering you will go through is temporary. Revelation 21:4 promises that God "will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Isn't it beautiful to know that the suffering we face today and the absence of Andrea is temporary? It is even more exciting to know that our God will get rid of death forever! Again, my deepest condolences to the Graven family. May God be with you in this time of need and bless all your efforts to serve him.

“ Dear Graven Family, Although I was not a close friend of Andrea's I did have the privilege of knowing her. The times we did talk she was the sweetest, most genuine person I have ever met. She will be sadly missed and it is true that God takes the best. Sincerely,
Stephanie Cain

“ Andrea, You were always so happy and your laughter was contagious. Whether you were reciting your sassy "whatever" poems, trying on my clothes which happened to be in Julia's closet or putting on dance routines at the big girl parties, it was great having you around. I can't believe you actually loved to wear that teal girl scout sweatsuit ;)

“ *Graven Family, You are in our prayers and Andrea will remain in our prayers and hearts. She was a roommate of our son's at the Black Squirrel. The boys were devastated when they heard the sad news. Know she is loved and will be missed by all, her kindness will live on in the hearts of all who knew her. We know she helped Timothy with notes for finals. Seemed she was always helping somebody in some way. God will use her helping way up in heaven. God Bless you all, The Simo Family*

“ As a teacher, I have met many students in my 30 year career, but few stand out in my mind and hold such a special place in my heart as Andrea. From the first day she walked into 7th period AP Lang class with a broad smile on her face and a genuine desire to learn, to our last hug as she left ready and eager to begin senior year, Andrea possessed a magnetic charm that drew people to her. Positive and compassionate she was the first to offer to help a classmate on crutches or who struggled with an assignment. Her intelligence, sense of humor and innate goodness brought out the best in others. I've heard it said that Angels walk among us, and in life , Andrea was one of them. God bless the Graven family and bring comfort knowing she rests with the Lord in eternal peace.

“ Hans, Sang, Julia & Christina, My heart aches for the loss of your dear Andrea. The memories of her will live deep in the hearts of all that knew her. She was a beautiful child of God, and now she has been called to sit with him forever. Our thoughts and prayers go out to all of you. Love, Joanne, Sean, Tyler & Lauren Alger

“ Dear Graven Family, I didn't know Andrea well. I played soccer with her Freshman year on the Hayfield JV team. I am thankful I got to know her, even if it was only for a short time. She was a truly genuine person who embraced life. I never saw her be mean to anyone. She was always happy and smiling. People like her are rare and I am just so sorry for your loss. She was a beautiful person inside and out and she will be truly missed. My thoughts are with you. Sincerely, Brittany Redmond

“ I meant Andrea for the first time when my daughter and I rode down to Savannah with Vanessa and Valerie Naman for the fourth of July. My daughter was so enamored by her, Caylie was 6 years old and thought Andrea was so cool. Andrea was so sweet to her and even after we got to Savannah, Vicki and Andrea continued to include the little tag along 6 year old. Andrea was so sweet and was the kind of person that no one could forget. We have definitely lost a beautiful person, but God has gained an Angel. Her and her family are in our prayers.

“ I walked into the first period of the first day of school as a new kid, awkward and unsure. I had just moved to Northern Virginia and it was my first day of high school, freshman year. I sat alone while people got reacquainted, with no friends and no way to hide it. Andrea was across the room, her magnetic personality drawing everyone close. For anyone that knows Andrea you probably know how the story goes. Beautiful brown eyes caught me as angelic smile lit up the room. She called me over and introduced herself with kindness, without hesitation, with genuine compassion. As we talked I realized that I had found my first friend. Not a year passed and my first friend became my first love. It didn't take long for my first friend, my first love, to become my best friend and a part of my family. Andrea, You are the best person I have ever known, and the only person I have ever loved. You will have my heart until the day we meet again.

“ Dria, You were everything I always wanted in a friend. Every memory I have of you is so fond. You were truly an angel in my eyes. I'm counting down the days until I can see your beautiful smile and hear your contagious laugh. Love always, Lindsay (aka your "butt buddy")
