

Andreas Lambrou Hadjichristodoulou

April 1, 1953 - February 20, 2024

It is with profound sadness and a sincere heavy heart that we inform you of the passing of one of the founding fathers, original owners of Cyprus Air, and truly a great man; Andreas (Andy) Lambrou Hadjichristodoulou (04/01/1953-02/20/2024). Husband to Marianna Hadjichristodoulou, father to Stelios Hadjichristodoulou, Savvas Hadjichristodoulou, Ourania Hadjichristodoulou, Panayiotis Hadjichristodoulou, and grandfather to Foteini Gounaris.

Andy was not only a co-founder of Cyprus Air, but also a pillar of strength to everyone he encountered. His example to all of us with regard to his work ethic, his selflessness, and his willingness and heartfelt dedication to pass on his knowledge and experience to all of those around him, are something we are all truly grateful for. He wanted nothing more than for all of us to have something to work towards and for, and an opportunity to prosper greatly.

Many loved Andy and looked up to him as a father figure and role model. We will miss him immensely, so much so, that words cannot begin to convey.

In this difficult time for all of us, let our thoughts and prayers be with especially the family as we not only mourn the passing of such a great man but also let us celebrate his life and all the immeasurable good that he represented and shared with us all.
