We remember Anita being so kind as to stop her planned activities to provide help and guidance on a college program that Rita was familiar with but wasn't home at the time. “ I grew up knowing the Turks. I went to Hebrew school with Rita/Shoshanna. I last saw Anita at Norman Kline's funeral. I was so happy to see her. She was so alert and friendly. To have lived to 100 is quite an accomplishment. May her memory be a blessing.

“ *During my high school years, I developed a wonderful friendship with Ellen, Anita's daughter. I enjoyed many hours in their home where Anita always exuded calm accompanied by a smile. She was a good listener who never imparted judgment. I feel blessed to have known her. Monica (Perez) Grimm*
