“ *Jack, Barb, Andrea & Sandy our deepest sympathy to you. Tonight we were talking about Brussels and I was telling Bud about the good times Annette and I had going down town for lunch at the book store. And we always got to celebrate our birthdays, even tho they were only 5 days apart. O, I do have good memories. Our love and prayers are with you. Lois and Bud*

“ *Barbara, I'm not sure if you remember me, but I used to know you way back when you worked at the Watergate Hotel and I gave you rides to work in my little blue VW bug. I'm so sorry to read about your mother's passing. My heart goes out to you and your family.*
