“ *My thoughts and prayers go out to John, and all of Annette's family today. It is with great sadness that I learned of her passing. Annette and I worked together many years before I retired. We shared so many good times together, and I will always cherish those times. She was warm, caring, and sincere. We worked hard, and had fun, we shared and enjoyed lots of laughter in the office. She will be greatly missed by all of us.*
