“ Tony was my great grandfather and great man. It breaks my heart I didn't know about his passing till now, and I couldn't see him in his final days. But the memories and times I had with him and my great grandmother Virginia will live in my heart forever. R.I.P. Tony Natoli

“ *My deepest sympathy, extended condolences and prayers are with each of you.*

I met Mr. Natoli many years ago when he was a salesman at the former Lee Volkswagen in Springfield, Va. He was a very dignified person with character.

Deepest sympathy and prayers,

“ *Tony, you were a great uncle and you and Ginny were always so good to Daniel. Daniel tried to call every week or so, so you would know that we loved you and were thinking of you. We truly loved you and will miss you greatly. Your journey has ended, but we take comfort in knowing you have a better place to go where there is no pain nor sorrow. God bless you. p.s. we love that you are wearing the cap we gave you.*

Love, Willie, Sharon and Daniel Duvall
