Anthony Edward Zakroski, Jr., "Andy", 38, died on Wednesday, January 2nd at his home on Fort Belvoir. Andy was born in Baltimore, Maryland and graduated from Patterson High School. In 2000, he joined the United States Navy. He first served as a Hull Tech and has served as a Hospital Corpsman since 2004. Andy has traveled around the world and served proudly. His smile and laughter will be dearly missed. Interment will be private.

“ Thinking of you, old friend. I still can't believe you are gone. It makes me so sad when you randomly pop into my head and I have to remind myself that you're not here anymore. Miss you. Keep looking out for all of us down here, especially your girls Meshelle & Zofie. Hope to see you again some day. 🧡

“ *RIP Shipmate, and my deep condolences to your family and friends. You were a great Sailor, and I enjoyed knowing you while stationed at Ft. Belvoir, if even for such a brief period before I retired. You had such an influential demeanor, infectious personality and you were a great leader for your Sailors. I believe when we meet amazing people that it makes us a better person. You definitely made an impact on me. I will miss you!*

Serene Retreat - January 07, 2019 at 12:00 AM

“ As Andy will be dearly missed, his service continues : He is a link of caring, compassionate love between such a great number of family, friends, and loved ones everywhere. Our prayers pour out for every grieving heart affected by his departure . Andy offered his life to serve his country and everyone of us who live in it, at any given time he could have been called to go anywhere around the world to battle for the freedom we have in America putting his own life in harms way for our protection. He continues to serve as a reminder of many things. A great reminder is that this life is short, no one knows their length of time on this earth as our very next breath is in the hands of God and no one has offered a greater sacrifice than God Himself. Jesus. When we die from this world our soul returns to God who gave it, at which point we would have all been sentenced to eternal suffering and torment, yet out of compassionate love He (God) offered the ultimate and only acceptable sacrifice in His Son Jesus, Who gladly came to this earth taking on this flesh , bearing torture through the cross to give eternal peace and pure happiness to all who believe and trust in Him. We who believe truly appreciate the sacrifice that gave us the assurance of where we will spend eternity. Thank you Andy for your sacrificial heart, and thank you Jesus for Yours.

“ *I think the first day I met Andy was on your wedding day or maybe the day before and all I know I liked him right away and I will never forget the smile he brought to your face and the love I felt between you. Sadly I didn't get to know him only thru your eyes and I loved what I saw. I'll never forget his smile. I love you and Sofia so much and Andy will always be with you.*
