“ *I have many memories of large gatherings at Autie's home, and visits at Bill and Dee's, Janet and Clay's, and all the summer pool parties and cookouts. He often fell asleep after finishing his Christmas dinner for a little while, but he would always be right there with everyone around him. Autie gave to everyone what he could, and his generosity, I'm sure, will not be forgotten. He always loved his brother and sisters a great deal, as well. Autie lit up with a big smile when everyone would get together, and he loved to entertain us and keep us laughing. I know the family and all his friends and colleagues will miss him a great deal. My regards to you all.*

“ I haven't seen Autie in a few years but I have very fond memories of him from the time I started working for him as a teenager, to the time I lived in his home, and for years after staying in touch. I will miss him a great deal. He was one of a kind.

“ To my children Kelly, Lance, Barry, Micah & Devon your Father's astonishing perseverance & amazing intestinal fortitude will live on through each of you. I know all of you are so proud of his extraordinary work ethic. I was informed your Father wanted his Epitaph to read "Father of Five" this touches my heart deeply. Audie will be missed by all.

“ Thinking of you at this time of loss. May the heartfelt sympathy of those who care make the sorrow in your heart less difficult to bear. I will always remember his smile and the family reunions at his house. They were special. Our prayers are with you at this time.

“ As a child, I remember visits to Uncle Audie's and visits with all the cousins. I remember the house in the gravel pits where I'd chase Devon around on the wood floors. I remember all the grown ups would play cards and we kids would entertain ourselves. Some of my strongest childhood memories are those times with the Foster family. I wasn't close to Audie as I got older, but I will always remember him.
