I am so sorry to learn of your loss and to learn of it so late. Please know that you and your family are in my prayers.

Eternal rest grant unto her, O Lord, and let light perpetual shine upon her. May her soul and the souls of all faithful departed, through the mercies of God, rest in peace.

“ Fred,
We are so sorry to hear about the passing of Barbara.
In fact we just learned about it a few minutes ago.
I was out of town until Saturday and did not realize that Barbara passed on Friday. Vanessa noted that there were fewer cars stopping by, so we looked on line today to find out that not only had she passed on Friday, but her service was today.
We would have been there, had we known.
Please let us know if there is anything we can do. We were not there because we did not care, we were not there, because we were in the dark.
Barbara was not only a trooper, she was an extraordinary human being. I wish I could say that I dealt with obstacles in the way Barbara did. I enjoyed every visit that I had with her, even when she would be coming back from chemotherapy. She never appeared down, other than tired and always a spring in her step.
We could all take a lesson from her in being upbeat.
We will miss her.
Sincerely,
Jeff and Vanessa

“ The last time I saw Barbara was at our Grandmother's funeral; and she was, as I always think and remember her...so present and connected, with eyes locked in on mine as she spoke. Somehow, too, no matter what the topic of conversation, she had a cheerful way. I felt her acceptance.

For that, I say thank you for all of this, and for being a part of my childhood and teenage journey and for the beautiful gift of music she has played, especially for our family as they have passed on. I will miss her and send my love and hugs to Mr Pauling and their children~
