“ *To Karen and Wayne, I have a deep affection for your family, and thought the world of your mom. Partially, because your mom was so sweet, and my son Neil, always said how much he liked your mom. Neil said, you mom worked so hard, and was the glue, and she was such a selfless person. Always doing for others. When Richard, then Neil passed within six months of each other, I went over to meet your mom. She made me feel good, because she said such nice things about Neil. I called her a couple of times, and took her to a Compassionate Friends meeting, but I could tell deep down, it was a lot for her to handle. I guess when your father died, her heart was too heavy. I'm glad she got to see her adorable grandson, but so sorry she couldn't bear to stay here to watch him grow. I know you all miss her. She was a remarkable women. She is missed.*

“ Karen and Little Wayne: My heart is heavy to hear of the loss of my friend, and your precious mom. She was not only a hard, concientious worker, but she was a truly beautiful soul, who'd do anything to help someone in need. I have countless fond memories of her, most of which bring a big smile to my face. May God continue to comfort you and the family.
