“ *My deepest condolences to Bryan and Ben's surviving family. Ben was a close friend of Lito Torres, and I met him through Lito back in the 90s when Ben moved to California they became roommates. We had some wonderful and fun memories from those years, and I will remember them fondly. I will always remember Ben's charisma, charm, warmth, and generosity, his love of family and friends, and his go get 'em attitude. His life was such an inspiration to me, and he was the best example of being able to rise up against adversity, and still being able to achieve happiness and success. He will be missed in this plane of existence, but I have faith that he will live on forever in Heaven.*
