“ *Betty Fullerton had (and will always have) a very special place in my heart. She was not only my Aunt she was my Godmother. I spent a large part of my growing up with her and Uncle Kenny. A lot of fond memories there. When I was in high school, I spent a lot of time with them because I babysat Gary, Bruce and Michael. While I was taking care of my parents in FL, they came once a year to visit. A special time especially for me. We spoke quite often on the phone. I will miss her very much. Glad she and Uncle Kenny are together again.*
