“ Dear Walker and Family, I am so sorry for your loss. Although I only remember meeting Betty once, her kindness and caring nature were very apparent. I realize that there is little that can be said to ease your sorrow, but try to find comfort in knowing that she is in paradise with our LORD. God bless you and your family, Nancy (Margie's daughter)

“ Aunt Betty, you will be missed and thought of every day. I might not have told you this, but you were like another mom to me, Bobbi, Ginger and Joanie. I tell everyone how we grew up living next door to you and Sharlene, Alan, David, Butch, Dennis, Gary and Bobby were like our brothers and sister. I wish I could have been there more in the last couple of years. I want the family to know that things will get better. Not fast or easy, but it will get better. I love you all very much and I love you too, Aunt Betty. Miss you forever, Sharon
