“ *Beverly was a wonderful friend and support to both my mother and me, and I will continue to be inspired by Beverly's incredible energy, enthusiasm , and zest for all her many activities and interests. Even less than a year ago, it was nothing to her to pack up Marty, jump in the car and hop on down 95 to visit me and view my art show in Richmond. And I am still in awe that she had the chutzpa. the desire and the sheer energy to brave the Obama inauguration ball!! Even tho Beverly's body finally gave out, her spirit and zest for life live on, and I can see her wide eyes and big smile clearly.*
