“ To the Family, My deepest condolences to all of you. "Kay" was certainly one of my all-time favorite students. She worked many years for me at the Enfield Recreation Department and served as my bookkeeper and worked in my office during her Enfield High School years. She'll never be forgotten. Sue, Jackson, Mrs. Wilkins; you're so special to me. May God continue to bless each of you and her family...

“ William, I am still having a hard time believing that Beverly is gone. I have never seen two people more devoted to each other than the two of you. It was a pleasure to have worked with you both here in Oak Ridge. I'll be thinking of you and your families in the days to come as struggle to adjust. Just remember -- Death leaves a heartache no one can heal, but love leaves a memory no one can steal.

“ William and Family: Giving all praise, glory and honor to our Lord and Savior Jesus Christ who is the Head of our lives. Eric and I are praying for the Comforter will bring and give you peace and understanding. Hold on to the Master's Unchanging Hands. The Master's garden is so beautiful and worthy to be seen, if you only trust and believe that Jesus Christ died on the cross and rose again on the third day, your and our eyes will see your sweet Beverly with a radiant smile on her face telling us come and see the goodness of the Lord simply because He only take the best. It is said that when you cry, you cry alone but that isn't true. The sadness you are feeling is felt by loved ones around you. Our loss here on earth, is the Lord's gain in heaven. May you find comfort in knowing that you're not alone. May the Lord Forever Bless and Keep You and the Family

“ William, I have thought of both of you many times, especially since receiving the sad news of Beverly's illness, and now her passing. There was never a more devoted couple. Your mutual affection was apparent to everyone. I am grateful that I had the privilege of knowing and working with Beverly, and with you. My thoughts are with you both. Nancy

“ *Mr. Stephens, We've never met, but the folks in OCC here at Oak Ridge have shared many wonderful anecdotes about both you and your wife. Everyone speaks so highly of both of you. I regret I'll never have the privilege of knowing Beverly. Please accept my condolences. Beverly's "promotion" was much too soon and she will be greatly missed. May God grant you strength, peace and comfort during this time and in the days ahead. Blessings, Esther Roberts DOE-Oak Ridge Intellectual Property Attorney*

“ *I am very sorry not to be able to attend the memorial service for Beverly today; I just saw the notice that was distributed to staff at the Department of Energy. My condolences to Beverly's husband, family and friends. Beverly was one of the kindest staff members that I worked with at DOE's Forrestal Building when I was detailed there for about a year. She was very professional and dedicated to her work and I very much appreciated being fortunate enough to know her. I will say a prayer or remembrance during her memorial service.*
