“ *Dear Billy, Although we haven't seen each other for many years. You and my brother Norman were very similar and good friends growing up. I remember all the good times the "Halls" & "Clarks" had playing on the pipes behind the railroad tracks. We could NEVER catch you or Norman. I will think of you often as I do my brother Norman. You are now in Heaven with Him. I asked him to look after you. Please let us know your ok - one-day. Rest-In-Peace and the Hall's will always love you. Missing you already.. JeriRuth Hall*

“ *Billy, It hurts deep inside knowing that you are gone and we will no longer share happiness together here on this earth. May we meet again in the hereafter and share happiness again with our savior! Thinking of you always,*

“ Billy, you will be greatly missed by all of those your heart has touched. Even though your physical self is no longer here, I know your presence is around me. I know when I laugh you will laugh with me, when I cry you will be there to cry with and comfort me. I know you are still spreading your love. I love you, always Rest in Peace Sheena Billy was so kind hearted and giving. He loved everyone and loved to help everyone, it didn't matter if he even knew them. He loved animals and children with all his heart. He would give you the shirt off his back if you needed it. Billy was a great person and was on the path to better his life. I know he is telling us to not grieve over his death but rejoice for his life and cherish the wonderful memories. That is Billy. He wouldn't want us to be sad. Sincerely Sheena

“ Billy, Your lil sis will dearly miss you. We have been through so much together, good and bad. It hurts to know that we can not share more years together and make some more memories, but I know you are in a better place. Mom and Dad truly love you along with family and many friends you have touched throughout your years. Those who saw inside you knew what a kind, thoughtful and good hearted person you really were. We admired your soft spot for children and animals. To me you were the best you were able to be. No longer do you need to yearn to better your life, your troubles are all over. You will always have a place in my heart and will never be forgotten. May you finally be at peace with yourself. I love you dearly, always. Your baby sis, Jo
