“ *Twins have a special connection that only they understand. My mom was a twin and I know that connection existed but that's where my knowledge ended. Celebrate Bobby's life, not his death. I pray that God will give you eyes to see beyond the clouds of earth into the glory of heaven. God's blessings to Bobby's entire family. Joshua 1:9 In Christ,*

“ *Please accept my deepest condolences. I was stationed and worked for Bobby at the REDCOM in Washington, DC. (1984 - 1987). He was a good man who is not forgotten. I just seen his name in the Fleet Reserve Association magazine and was stunned.*
