“ *So very sorry to hear about Brad ... He was such a good guy ... He used to go and help out my Grandmother who lived close by in Lorton ..helped to clean up her yard .. always kept the trees trimmed up for her . He was such a good friend .. I will never forget when his beloved " Bonnie And Clyde" had puppies ... I just had to have one of them .. I believe I was only about 17 at the time and bless his heart he kept the pup until it was about 12 weeks old to " train him " for me so it wouldn't be so hard to do ... will be praying for the family ...God Bless You All .*

“ *Very sad to read this while working today. Its sad we dont stay in touch with each other. I saw Kent back around 96. But just never stayed in touch with Brad. I remember when we used to spend our evenings at Lee District Park at the indoor pool. And riding around in that old mint green Oldsmobile he had. I always liked his full name bradford I believe it was. When I named my youngest son I told my wife at the time I had a good Friend named Bradford growing up and I always liked the name. I couldnt get away with Bradford so we settled for Bradley, Anyway my best to his family. He is missed.*

“ *I am sorry to hear of Brad's passing. I went to high school with him and Kent. He was very quiet and reserved, or was that Kent. I got them mixed up often. My brother Jody Ramos also went to school with them and has since passed on. It is hard for us left behind, not because we will not see them again...the question was for me how long will I have to wait. My prayers and thoughts go out to his family and friends during this trying time. I live in Florida now and will not be able to make the service, however I will be there in spirit...as will he.*

“ So sorry to hear this news, Brad and I were great friends growing up, and managed to keep in touch later in life. But I am at a loss as to why I hadn't heard from him in so long. Perhaps I haven't kept in touch like I should have. He will be missed! My heart goes out to everyone that knew and loved him.

“ We were so surprised and truly shocked to hear of Brad's passing. Our hearts go out to you Debbie (his rock) and all of his family. I hope in time comfort and peace will come to you all. As my memory travels back in time when Brad was our neighbor and we would see him quite often. I remember him always laughing, cracking jokes and stirring the pot so to speak. Never a dull moment with Brad around and his dog Moochie. A little crazy at times, but that was Brad. Fun and full of laughter. He was a kind person and did many things to help friends. His kindness, never forgotten. He was a good soul!

My prayers go out for him and the rest of the family. May peace, love and understanding fill your hearts and healing come in time.

Best Regards, Joe and Pierrette Bolton
