“ *I was proud to have Brandin as one of my students at RJC. He was always polite, helpful, and respectful while he was in my classes. I enjoyed talking with him because he was very mature for his age. I could tell that he came from a good family, and that he cared deeply for them. He had a heart of gold. Please keep the good memories that you have of him forever in your thoughts. I know that he cared deeply for you all. God bless you. Mr. Byrne*

“ *Andy, Kim, James. We are so sorry for your loss. Our thoughts and prayers are with you all. Brandin was a good friend to Doug, the three of them had so much fun when they were little. I always could tell when they wanted something, he had a sparkle in his eye and always a smile on his face. Brandin touched a lot of people in his young life. You will never be forgotten, you are in the arms of God and now you can be an angel to watch and protect over your family and friends. You will be forever young and have place in our hearts.
