“ *Our thoughts and prayers are with you and your family. You contagious laughter and spirit will never be forgotten. You were loved by so many and gave as much in return. There is a void now but we only have to follow and cross over to meet you in heaven. I know that you are at peace now with Jesus, Brian and your mom. You were blessed to have such a loving and caring family and I know in our heart it was a gift to us that we had extra time with you. And that is an unconditional gift of a lifetime. With deepest heartfelt sympathy.*
