“ Who do you know that holds and plays with strangers babies at airports to give the mama a break and of course just enjoy? Sweet Brenda of course! That"s what Brenda did in the San Francisco airport on our way home from the Tiburon one mile open water swim in September. Jenny, Luke, and Rose (Special Olympic soul sisters and brothers) finished a mile long swim in wet suits in the cold water and did great. Terry was our driver and photographer. What a joy that time was to spend with Mitchell Family and our Special Olympic family - we had a blast. That's how I will always remember you Brenda. Warm, sweet, kind, loving, a great hugger :) We love you all. Susan, Marco, Rose, and Anna xoxoxo

*“ We will always remember the smile and tremendous positive attitude that Brenda brought to the Special Olympics Program. Through the years she was always ready to help and her support to her daughter and family was a shining example for all of us to emulate. We will miss her enthusiasm and love of life, but she has given us her spirit, love and commitment to children as an example for our lives and families. God bless her, and we pray for Terry and Jenny. Bob and Bill Sperberg*

“ I have known Brenda since Jenny was a student at Twain Middle School many years ago! We tried to get Jenny to ski, but Brenda always said that they were Georgia Peaches and of course they would not ski! Jenny has become an accomplished cross country skier over the years since. “ Terry, Jenny and Michelle, Girls you may not remember who I am but I was a young Sailor that enjoyed a home cooked meal or two at your home in San Diego. Way back in 89'. Your mother was a great substitute mom for myself and Chris Bolden. Your Dad, well I'm not sure if He was as positive of an influence as your mother, but I think we turned out ok, as far as Sailors go. You guys are in our thoughts and prayers. Heaven seems to take all the good ones before their time. Her infectious laughter will join that of my Mother. My life was truly blessed by having your Mom as a brief part of it. Thanks for sharing your Mom with me. Andrew Heuer(retired PH1, USN)

“ *A loss to all who knew or even barely knew Brenda, such a I. Only once a year at the Pines' xmas gathering did I get to talk with and exchange ideas and travel experiences with her. She was always kind, joyful and seeming very happy and always tolerant, even to an Atheist.  
Death sucks, especially for nice people like Brenda and those left behind without her.  
My sincere sympathy to her family, especially Terry and daughter, Jennifer, who has many of her mom's great qualities.

We shared our love of reading especially those historical romance novels....which made us both seem so much smarter than we were when we knew obscure historical facts. Terry, Michelle, Jenny, she loved you so much. Ah the grandkids! How much joy you brought to her. Our prayers are with you all.

We met when our kids went to China together. I am so sorry that we did not get together more often. She loved her family with every ounce of her being.
