Letter from Brenda's children

Mom, you were a loving and caring mother who was always there for us. Whether running us to the doctor's or a ballgame, you always put us before yourself. Each one of us has a story to tell, but one really stands out. Being very ill for months, you were determined to attend your son's wedding no

matter what. Not only did you attend the wedding, you danced and showed us all you still had it. Other fond memories were you playing kickball with all the children on the block. You always had fun with your kids and found ways to bring us all together. As we look back we remember such a young lady, running, playing, and taking care of us. We will always remember how much you loved each one of us and treasure that. Mom, we love you very much and we are so proud that you were our mother. Love, Michael, David, Melissa, Betty, Casey, and Sharon.

“ *Dear Michael, David, Melissa, Betty, Casey and Sharon, Please, excuse the lateness of my message. It's hard to know what to say. I am so happy that my niece Erin had the opportunity to know your Mother. It was certainly my pleasure to meet her myself, however briefly. She raised a lovely family. That speaks volumes for her, and your affection for her was quite obvious. I am grateful for your presence in Erin's life. You and your Mom have enriched hers immensely. My thoughts are and have been with you and your families. As you stated in your letter, you all have the comfort of many years of happy memories. From my experience, that's a great blessing. Much love, Ramona Slagle*
