“ To the Honecker family. I wanted to send my sincerest condolences to all of you. Brian and I served together in VS-35 and made the 1998 deployment together. Once he checked on board he quickly became one of my best friends. He always made me laugh and brightened my day! Him being the Kansas fan and me being the Husker fan always brought us entertainment as well. I so wish I could have been there for the memorial service. You are in my thoughts in prayers.
