“ *Brian worked with my Dad. Each year, my Dad volunteers to be Santa Claus to help a local dog rescue raise funds - Brian came every year to contribute to our event. I always enjoyed seeing him and his wife, daughter and family pet. It was very thoughtful of Brian to attend. My Dad spoke very thoughtfully of Brian. I am very sorry for your loss.*

“ *I grew up with Brian in Springfield. Always tried to keep up with what he was up to through my mom, since it was always difficult to get through to him. He will be dearly missed. Please know that all the family will always be in my thoughts and prayers, just as they have been since his father passed away. Brian is now another angel looking over us! With great sympathy!*

“ My thoughts and prayers are with you. Brian was a great friend. I still laugh when I think of all of the silly things we did back in high school and even after, his silly ways to make you smile when you needed one. He will be dearly missed.

“ Dear Doris, Michelle, Adrianna, and Mrs. Laverne McDonald, No words can really ease a loss or grife which words did not create, but I hope and pray that the words "I grieve with and for you, and pray that all of us may be together in Heaven someday" will not be taken amiss. You are very, very much in my thoughts and prayers. Most sincerely, Mike Calhoun
