“ I was sorry to hear of Bruce's passing. He and Ginny were good friends of mine through my affiliation with the Vienna-Falls Chorus. Now they have been reunited for all eternity. My prayers go out to the family.

“ I am so very sorry for your loss. I met your dad after your mom passed as he was trying to catch up on tax return filings (something your mom always took care of). As I only saw him once a year, I really was able to see him recover from the loss of his soulmate and then came to know how very proud of you he was. His grandchildren were the sparkle in his eye and we would spend time every year sharing photos and memories of his time with the family. He will be missed!

“ I was saddened to read in the Jubilaire's newsletter that your dad had passed away. I knew him slightly, from various Barbershop events, when we would often share a meal together. He was a good friend to my husband, Bob. We both enjoyed his company. My heart is with you as you mourn your loss.

“ Our sincere sympathy to Bethany and family at the loss of “Uncle Bruce” as known to our family. Alden, my father, was Bruces older brother and proceeded him in death as did his other brother Ronald. Like Bruce, Alden loved to sing and they shared the joy of barbershop quartets. Rest In Peace Uncle Bruce. Love from Brandt Minnick and family.

“ The Alexandria Harmonizers have fond memories of Bruce and Ginny Minnick, for their fellowship and enjoyment of barbershop harmony in both the Barbershop Harmony Society and Sweet Adelines International. Their dedication to the Alexandria Chapter was legion and heartfelt. The Minnicks performed yeoman service over a number of years as ticket managers for two annual chapter shows. They appeared as Mrs. Claus and Santa to the joy of children and adults alike at Harmonizer Holiday Dinner Theaters. Ginny and Bruce were awarded the 1999 Ibbiane and Wilbur Sparks Award that recognizes the important contributions of our "family" to the success and well-being of the chapter. For our riser mate and friend Bruce: "...until we meet again, may He hold you in His hand, May God hold you in the palm of of His hand."

“ I really enjoyed Brother Minnick. He was quite the conversationalist. He always had such an upbeat attitude, and was so joyful to speak with. He loved the children and was so excited to be Santa Claus again this year. He will be much missed. I loved, listening to him talk about his music. He always has a smile on his face. He was always asking me about my son, and it was very much in tune to the goings-on with the youth. You knew he really cared. He was much loved, and will be sorely missed. Peace to you now, my friend.
