Byron Douglas Dale, 71, of Alexandria, Va, sadly left us on February 15, 2024. Byron is survived by his sister Judith Ann Langham and her two daughters Phaedra and Crystal, and Byron's nephew Rory Dale (son of George Dale).

Byron was born in Phillipsburg, PA on 7/01/1952. His family moved to a farm near Uniontown where Barney attended school until he graduated from Uniontown SHS in 1970. He then moved to Alexandria, VA where he would enjoy living for almost 50 years. Byron began work as a lineman for C&P Telephone and retired as a Verizon cable technician in 2014. He was awarded several honors from the company for his work in disaster recovery including restoration of service to the Pentagon after 9-11.

Byron was a beloved uncle and brother, and is remembered by his friends and family as a gentle, kind, and thoughtful man who loved to laugh.
