“ *Carl, you will be greatly missed! It was always nice to take a few minutes to slow down during the day, sip some lemonade, and enjoy conversation with you. You were a genuine, good person, and had many friends that thought the world of you, myself included!*

“ I will always remember those wide open arms that were there waiting to hug me. The smile on his face and the brightness in his eyes that would light up the whole world. I will remember him teaching me to ride my 1st bike, taking me Trick or Treating, buying me my 1st swimming pool, hosting a carnival for MSD and those wonderful picnics out at the military base. My grandfather did so many things that I could go on forever. Carl knew no strangers and he warmed the hearts of everyone he met. I am grateful for his wonderful neighbors over the years and the friends he made over at the Subway and Safeway stores. I want to thank everyone who friended him and all those who came to his service to honor him. I know that each and everyone of you touched his heart as he did yours. I wish each of you a good life and hope that we will all follow Carl's example of friendship and neighborly love throughout our lives. As the movie goes....Pave It Forward. God Bless You All!
Love, Breena

“ We will all miss him. A great man who served his country and was loved by everybody. Michelle and would often talk about his dogs and how well he took care of them and his car with low mileage. Fun times
