

Carol Ann Koslow

March 5, 1940 - January 3, 2024

Carol Ann Koslow (83)

Of Springfield, VA passed away Wednesday, January 3, 2024. Loving wife to Richard A. Koslow; beloved mother to John Koslow (Carolyn), Kathleen Larson (Robert), and Edward Koslow (Karen); sister to Lorraine Paulus (deceased) and Geraldine Mann, grandmother to eight grandchildren; great-grandmother to thirteen great-grandchildren. She will truly be missed by many.

Carol was born and raised in Pittsburgh, PA. Her and Rich met when she was 10 years old and he was sure from that point that they would be together. They married several years later and were married for almost 65 years.

Prior to her marriage Carol was an accomplished gymnast and taught gymnastics. During the early years of marriage as an Air Force wife, she worked as a dental hygienist as well as working in family services helping young airmen in the Air Force.

Carol loved her family and passed along her dedication and determination to them. She focused on supporting them while they were growing up. Once they had grown, she returned to the workforce as a personnel specialist for the Army Corp of Engineers. Like everything else she did, she worked her way up to become a key resource consulted by many throughout the organization.

She was always the first in line to help, whether it was family, friends or work.

Carol was a devout Catholic and her faith was important to her. She passed that along to others by teaching Christian education classes. She loved music and reading and sang in the choir. She also enjoyed traveling and the opportunities to see other states and countries.

Family and friends may be received at Jefferson Funeral Chapel, 5755 Castlewellan Drive, Alexandria, VA 22315, on Monday, January 8, 2024, 5-8PM. A Mass of Christian Burial will be held on Tuesday, January 9, 2024, 11AM, at St. Louis Catholic Church. A reception immediately follows at the church 12:30pm – 2:30pm.

“ Michael and I had the honor of sharing a table with Carol and Rich at the wedding of their granddaughter, Amanda, and our son Sean in 2019. Carol was a lovely woman and it was quite evident the special bond she and Rich had was from sharing a lifetime of beautiful memories. Our deepest sympathies go out to the Koslow family during this sad time.

“ Although we often able to visit with Aunt Carol while I was growing up, we did spend 2 of our infrequent family vacations with her and her family. Once in Myrtle Beach and the other in Alexandria. During both visits lots of family memories were made and we were able to see the sights in each area. These trips ignited my desire to visit and live in other parts of the United States. Additionally, Aunt Carol's life as a mom, wife, and professional woman working outside of her home set a great example for me and inspired me to that I could do the same. Much Love Aunt Carol from your niece Michelle
