“ Mark, Mike, Todd, and Justeen—I am so sorry for this huge loss. Your mom was a kind hearted person and always had a smile when I saw her ... from the first time I met her. I can close my eyes and hear her big laugh, and picture her with her head tilted back as she laughed. She had a lot of joy—and much of it came from you all being her kids. That’s a memory I hope you each also cherish among the many. RIP Carol.

From ; Terry and Maggie Pearson  
Growing up Uncle Ralph, Aunt Edith, Carol, and Sue were the best part of visits on Sundays. Carol was my contact for all things family over our senior years. She was a wealth of knowledge for not only the Thompson’s, but the Wiley’s and the only one who seemed to know anything or anyone in our PA. relatives. We shared many laughs when we exchanged phone calls. She was a special person I will miss everyday. You knew where you stood with her and her love was unmistakable. Our sympathies and prayers for her family, RIP
