“ *I met Carolyn when I went to work at Wilton Woods Center on Franconia Road. She literally ran the entire building. Always organizing events, our orders and delivered Pecans every holiday season and single handedly did all the bubble sheet scanning from schools throughout Fairfax County.*

*I will always remember her great smile and good heart. Rest peacefully Carolyn.*

*My sympathy and sincere condolence to her family.*

“ *My name is Edna Eagle and I am a member of the American Legion Auxiliary. I met Carolyn through her dear friend, Wilma Ranck, a number of years ago. Wilma convinced Carolyn that she come with her to the Washington, D.C. VA Medical Center to help out with various events like luncheons, refreshments following ceremonies, etc. Carolyn was one who pitched right in and everyone enjoyed having her around helping out. It was sad when Wilma passed and Carolyn wasn't able to come by herself. We really missed her. God Bless Carolyn and her family. I know they will be missing her also.*

“ *Dear Carolyn would never say no she would just take out her appointment book and pencil in the favor. She was a special friend to many of us I hated it knowing when she had to go into that nursing home. God knows this Angels heart and she is arranging the Stars in God's heaven! So long beautiful lady.* 💕💕💕💕
