“ *Aunt Kay always made it a priority to be present at family events. My sons are honored to have known their "great great aunt" and I'll miss her big smile at the next family gathering.*

“ *Whenever she saw us, Aunt Kay took the time to speak to each of us individually. She always made sure to visit with our kids, Barrie and Alec, if only to ask them questions about themselves and to make them feel comfortable in a crowded room of adults. We'll always remember Aunt Kay for her familiar smile, kindness, and the heartfelt concern she showed for all of us.*

“ *We'll always remember Aunt Kay for her selflessness and kindness to others. Aunt Kay was a shining example of what family means and her life was truly amazing. We will miss her greatly and the times we shared with her will always be treasured.*

“ My last visit with our dear Aunt Kay was in October 2007. We went out for lunch as we often did. I remember she thought about her eventual passing away and her concerns for her loved ones. We spoke of Jesus Christ and our hope of eternal life in Him. I will miss her and our luncheon visits, but I know that she has found her eternal rest, a comfort for all those who knew and loved her.

“ Aunt Kay always had a smiling face and a kind word for everyone. She was always there to help others, never to complain or think about her own needs. Memories of her are a pleasure to recall. I will remember her as a special aunt and my Godmother.

“ Aunt Kay was one of my favorite aunts. I went on my first "vacation" to visit her and Uncle Eddie when I was about seven years old. They introduced me and Judylou to the Good Humor Man! I will never forget her kindness and generosity, and I'll miss her.
