“ Charles, Chuck as he was known, there's no way that 2 paragraphs, 5 paragraphs, however many, could describe this dear, funny, talented, loyal, bear of a man.

His smile; his inimitable deep, polished, crisp, bass voice frequently leading his friends into a belly laugh joke.

His patience, his way to be a peacemaker, occasional stern exhorting a friend.

These are one in a billion as being packaged in one very human, very lovable, being. If we hear an amazing guitar riff, and a very deep chuckle, in the wind... enjoy it, Chuck's recalling a story of one of his countless friends.

Thanks, Chuck, you gave me some pretty good directions, and a great tune, on my life map.
