“ Leila, my deepest sympathy to you and your family with Chuck's passing. He had a tough battle for a number of years, and your love and support, no doubt, made his illness more comfortable for him. You and Chuck created many wonderful memories throughout your years together - I hope that those memories help to bring your comfort and an occasional smile through the difficult days ahead. Chuck was a wonderful man, and his memory will live on in all our hearts. My thoughts and prayers are with you Leila. If there is anything I can do, please let me know. Love and hugs, Diane

“ We send our sympathy to you, Leila, and family. He fought a tough battle and without you, Leila, he would have had a tougher one. Thanks for showing us what real love is when our love one becomes dependent totally on us and only response can do is thank you through our eyes and words. Heart felt loss with so many warm memories and sharing of love in your marriage. God bless you and comfort you and your family.
